Paul,

RE: Colorado River Water Delivery Agreement: Federal QSA, signed Gale Norton, DOI, dated October 10, 2003.

[http://www.iid.com/water/qs2003/qs2\\_agreement\\_fed.pdf](http://www.iid.com/water/qs2003/qs2_agreement_fed.pdf)

... pdf file pages 1 - 15 (through 1-14) of the cited document should be included in Volume 4 as reference material.

I do not see a category for this. I guess something like *Regional Water Agreements* would be appropriate, and as such should probably be added.

I'm sorry to be making these comments at this late date. This material has only recently come to my attention.
